To Whom It May Concern:

I am hosting a grants workshop in Wichita and would be honored if you could attend. This workshop is being planned to help individuals and organizations learn how to search for and locate grants for which they might be eligible and to develop the necessary skills to write successful grant applications. It is my desire to provide the tools to maximize grant funding for worthy projects in the 4th District of Kansas.

The workshop will be held on Monday, August 6, from 8:30 a.m. – 4:30 p.m. at the Sedgwick County Extension Education Center, 7001 West 21st North, in Wichita. This workshop will feature representatives from federal and state agencies as well as foundations who will provide information on funding opportunities and helpful hints on the grant application process.

A continental breakfast will be provided and there are many food vendors in the area for lunch.

Enclosed you will find a registration form for the event. You may return this form by faxing it to (316) 262-5309 or by mailing it to 155 N. Market, Suite 400, Wichita, Kansas 67202. Please return one registration form for each attendee. This will help us provide accommodations for everyone who wishes to attend.

I hope you will join us for this free event. Any questions about the workshop or other information on grant-related services offered by my office may be addressed to Linda Arensdorf at (316) 262-8992.

Best regards,

Todd Tiaht
